CANCER CURED!

DR. KINGSLEY,
OF ROME, N. Y.,

Has Discovered a Perfect Cure for Cancer WITHOUT THE USE OF THE KNIFE!

Doctors and ministers cured of Cancer free. Poor widows, poor servant girls, and all others unable to pay, having no friends to help them, by bringing a statement in accordance with these facts, from ministers, physicians, or other reliable persons, shall also be cured free.

Cancer, from time immemorial, has been a very great scourge, and is now rapidly becoming the greatest to the human race. It is a very flattering disease; consequently many are greatly deceived, and will not admit they have a Cancer until they are far beyond the reach of cure. Sorrow is now unavailing, as such a sad mistake can never be rectified. If your trouble is small, and gradually increasing instead of disappearing, have it cured at once for fear of serious consequences.

Doctors will say: "It is not a Cancer. Don't be alarmed. It will give you no trouble." Heed not such advice! When you are nearly dead they will tell you it has turned to a Cancer and cannot be cured. This will be poor consolation in a dying hour.

If you have a lump or unnatural growth in the breast, or in or upon any other parts of the person, attended with an occasional stinging, darting, pricking, shooting, stabbing, creeping, burning, smarting, scalding or aching sensation, be alarmed at once, as any of the above symptoms should be sufficient evidence, without the advice of any physician, that your difficulty is Cancer, and should have immediate treatment.

If you have a branny, scaly, crusty or warty appearance, with an occasional exfoliation of the same, upon the face, lip, nose, or any other portion of the skin, attended with any of the above symptoms, or giving an occasional sensation as though a fly had alighted upon the part, or a hair were tickling it, the evidence should be conclusive that your trouble is Cancer, and no delay should be made in having it cured. Life is far too valuable to be tampered with or sacrificed.

Write for a large Circular.

DR. KINGSLEY.

This is to certify that we, the undersigned, are well acquainted with Dr. Kingsley and his practice, and would advise all afflicted with Cancer to call on him at once and be cured.

Presiding Elder, Rome District.

FIRST DAY—WEDNESDAY MORNING, APRIL 15, 1874

The Wyoming Annual Conference convened for its Twenty-third Session in the Franklin Street Methodist Episcopal Church, Wilkes Barre, Pa., April 15, 1874.

At 9 o'clock, A. M., Bishop G. Haven proceeded to the administration of the sacrament of the Lord's Supper to the members of the Conference, and others present.

The Conference roll was then called by the Secretary, when 138 members responded to their names.

On motion Resolved, That the Presiding Elders nominate the members for the standing committees, excepting that on Public Worship, all of which were duly nominated and elected. (See Standing Committees.)

The Bishop introduced to the Conference Chancellor Winchell and Rev. E. C. Curtiss, of Syracuse University; N. S. White and R. L. Stillwell, of Central New York Conference; Rev. D. D. Lore, DD., Editor of the "Northern Christian Advocate."

The Wyoming Annual Conference now in session being advised of the sudden death of the Rev. Thomas Carlton, D. D., late Book Agent, and Treasurer of the Missionary Society of the Methodist Episcopal Church, and feeling that the demise of one who has been so prominent in our Zion for the last twenty years, should be duly noticed, do resolve as follows:

1. That in the death of Dr. Carlton the Church has lost a distinguished public servant, and the world a bright and shining light, the sudden extinguishment of which must be sorrowfully felt throughout an extensive circle.

2. That while we bow submissively to the orderings of an inscrutable Providence, and while we cherish the most tender and grateful remembrance of our departed friend and brother, we do, at the same time, hold ourselves solemnly admonished not only to work while the day lasts, but to be ourselves in readiness to give an account of our stewardship whenever the master shall call.

3. That we assure the afflicted family that they have not only our sympathies, but our prayers in this their day of bereavement and sorrow.

4. And, finally, that our Secretary be instructed to furnish a copy of this paper to the bereaved family, as also to our church papers for publication.

GEORGE PECK,
Z. PADDOCK,
H. R. CLARKE,
R. NELSON,
W. H. OLIN.

Upon invitation of Bishop Haven an impressive prayer was now offered by the venerable Dr. George Peck.

The Bishop introduced to the Conference Dr. Kynett, Corresponding Secretary of the Church Extension Society; N. Norton, Presiding Elder in the Erie Conference; Valentine Gray, of Wilmington Conference; Rev. Dr. Hodge, Pastor of the Presbyterian Church, Wilkes Barre, and Rev. Thomas P. Whereas, At the previous session of this Conference, resolutions were adopted requesting all of its members to furnish brief autobiographical sketches, to be preserved in the archives of the Conference, and

Whereas, Said resolutions have rarely been complied with, and their existence is probably unknown to many of the younger members, therefore

Resolved, 1. That Each member of the Conference be earnestly requested to prepare such a sketch during the ensuing Conference year.

2. That in future the Examining Committee of the third year be directed to enquire of the respective members of the class whether this request has been complied with and embrace the answers in their report.

On motion of W. H. Olin, a draft for Five Hundred Dollars on the Trustees of the Conference Fund, was ordered in favor of the Chairman of the Board of Stewards.

The 2d Question was taken up.

P. Bartlett feelingly addressed the Conference, touching his relation, and he was made superannuate at his own request.

The Secretaries were directed to publish the minutes.

A draft was ordered on the Treasurer of the Conference Missionary Society, to defray the expenses of publishing the detailed Missionary Report in the Conference Minutes.

The Bishop called Dr. R. Nelson to the Chair.

Committees on Tract Cause, Periodicals, Sunday Schools, Education, Churches and Parsonages, Missionary Cause, Conference Minutes, Conference Collections, Ladies' and Pastors' Christian Union, State of the Church, Observance of the Sabbath, Freedmen's Aid Society, Church Extension Society, Memoirs, Church

Music, presented their several reports, which were adopted as published. (See Reports.)

On motion of H. Brownscombe,

Resolved, That we respectfully request the Book Agents at New York to publish a cheap edition of the "Convert's Guide and Preacher's Assistant."

The following resolution was unanimously adopted by a rising vote:

Resolved, That the thanks of this Conference are due, and are hereby tendered to the people of the city of Wilkes Barre and vicinity, for the cordial and friendly manner in which we have been entertained during our present session, and we will ever pray for their continued prosperity, and they shall ever have a very warm place in our affections.

J. K. PECK,
H. M. CRYDENWISE,
W. B. KINNEY.

On motion the Presiding Elders were requested to send to the several Charges the apportionments for collections, during the *first* quarter of the Conference year.

The completed Report of the Board of Stewards was now presented, and adopted, and the funds distributed to the several claimants. (See Steward's Report.)

The following Resolutions were unanimously adopted:

Resolved, That we sincerely regret the transfer from this Conference of Brother A. H. Wyatt, and that he bears with him to his new field of labor our highest respect and love.

R. NELSON,
D. COPELAND,
D. D. LINDSLEY.

Whereas, Brother A. C. Bowdish, for several years a member of this Conference, and an efficient Assistant Secretary, has been transferred to the New York East Conference, and stationed at Astoria, L. I., therefore,

Resolved, That as an earnest and faithful minister of the Lord Jesus, he has endeared himself to the members of this Conference, and our best wishes and prayers go with him to his new field of labor.

A. J. VANCLEFF,
J. K. PECK,
J. O. WOODRUFF.

On motion of J. K. Peck, a like testimonial of respect was adopted in reference to Brother John A. Wood, who has been transferred to the Northern New York Conference.

Bishop Haven now resumed the Chair.

The following Resolutions were unanimously adopted by a rising vote:

Resolved, That we the members of the Wyoming Annual Conference, do respectfully and most earnestly request Bishop Haven to furnish for publication in the Christian Advocate, or in pamphlet form, the very eloquent, able and highly instructive sermon, which he preached in this Church yesterday morning.

Signed by the Presiding Elders: H. Brownscombe, G. Peck, Z. Paddock, W. H. Olin and many other members of the Conference.

Resolved, by the Wyoming Annual Conference, That this first visit of Bishop Haven to our Conference has afforded us great pleasure and profit, and that we shall be happy at any and all times hereafter to see him within our borders, and enjoy his ministrations of the word of God.

H. BROWNSCOMBE,
W. H. OLIN,
L. W. PECK.

On motion, S. F. Wright was granted a supernumerary relation at his own request.

The Journal was read and approved.

The Bishop now delivered an address full of instruction, comfort and hope, alluding to the machinery of the Methodist Itinerancy, and declaring his belief, that a more impartial Cabinet than that of this present Conference never gathered around a general Superintendent.

He then read portions of Scripture from the 126th Psalm, and the 10th Chapter of St. Luke's Gospel; announced the 121st Hymn, which was heartily sung by the Conference and Congregation, and invoked the Divine blessing upon the preachers as they departed to their respective fields of labor.

After these religious exercises, the appointments were read, the Doxology was sung, and the Conference finally adjourned with the Benediction by Bishop Haven.

EDUCATION.

The subject of education is engaging the attention of the church more than at any other period of her history. Our great founder was a man of extensive knowledge and rare culture. His first grand effort was to save men, his next was to cleanse them, and third and last, but not least, to discipline and train them, and so far as possible, he added to the polish and finish of the schools the redeeming work of the church.

As an economical arrangement, education is a good investment; as a policy it is wise and safe. We vastly increase the capabilities of the young for usefulness by developing their facilities, especially when christian ideas lie at the bottom of that development.

A cultivated mind without moral principle, without the christian faith, can only constitute a manhood false to nature and dwarfed in all the sublime possibilities of its being.

If we want failure written on the lives of our youth, let them be trained where the christian religion is rejected or despised, or where it is barely tolerated. But we have cause for gratitude that the masses of students in Seminary or College are being moulded and shaped under the influence of the christian denominations of the country, and men of no particular creed prefer that their children shall graduate under the teachings of a positively religious faith.

The student reads in the formations of the coal and the upheaval of the rocks. "God created the heavens and the earth." The young astronomer gazes into the heavens, and as Orion and Pleiades sweep before him, he breaks forth with the inspiration of the sacred penman. "the heavens declare the glory of God," and into whatever realm of investigation true science may lead, she is sure to lead up toward Him, who is the benevolent, as He is the undisputed author of all."

It is with great pleasure we place first upon the list of institutions before us for recognition, our own Conference Seminary. From the report presented by the trustees, we record, as others have done before us, another year of marked prosperity; marked, because contrary to the expressed fears of some of its warmest friends, the great panic, which unsettled for a time the business of the whole country, did not in the least affect the school; but under the wise and able management of the Rev. David Copeland, A. M., and his co-laborers, consisting of seventeen professors and lecturers, the Wyoming Seminary has maintained its high position as a first-class institution.

It also affords us great pleasure to witness the conversion of our youth in the halls of education, and the last year, the Seminary has been favored with a most gracious revival.

We are gratified also, that we still have the benefit of the advice of our former Principal, the Rev. Dr. Nelson, who has been elected President of the Board of Trustees.

The contributions for the last year amounting to \$846.65, together with the contributions of other years, have reduced the debt from five thousand to about three thousand dollars, and we recommend, that

the same policy of annual collections be vigorously prosecuted until the entire debt is canceled.

The Syracuse University, next in order, demands our attention. Not because it is a feeble thing, needing nourishment to keep it alive, but because it stands in the center of the greatest State in the Union as a monument to the liberality, refinement, and wealth of methodism; because it is built upon foundations of faith and catholicity and piety, and because the gigantic proportions this, the youngest child of the church, has already assumed, are a guaranty of what it will become. It is desirable that as a conference we should stand in closer relations with one or more of the higher institutions of learning connected with our great and wide-spreading denomination. It is desirable that we establish such a bond of union with some College or University, that the young men who go from us shall be returned to us to give our own Conference some of the benefits of their culture and talent.

The natural outlet for our educational purposes is the north, and in close connection with all our borders is the Syracuse University and we recommend this institution to the special attention of all who seek the advantages of collegiate instruction.

From the Wesleyan University, the mother of Methodist Colleges, we rejoice to hear, that with students and funds, she is holding on her way and maintaining that large place in the public confidence which her previous history has won.

The Drew Theological Seminary, the youngest school of the prophets among us, offers special inducements to those who contemplate entering the field of the Gospel ministry. It is with unqualified endorsement that we commend this institution to the young men of the church as a place where Theology all aglow with the fires of divine love is taught and where the great subject of preaching is amply illustrated by precept and example.

We recommend the election of Wm. Bixby as a trustee of Syracuse University, and also the following visitors for the ensuing year. (See Visiting Committees.)

We recommend also the appointment of a committee consisting of Dr. Nelson, D. Copeland and George R. Hair, who shall consider the question of a Conference Educational Society and report to the next annual session.

L. C. FLOYD, Secretary.

W. H. OLIN, Chairman.

WYOMING SEMINARY.

THE THIRTY-FIRST ANNUAL REPORT OF THE TRUSTEES OF THE WYOMING
CONFERENCE SEMINARY.

TO THE BISHOP AND MEMBERS OF THE WYOMING ANNUAL CONFERENCE:—

Dear Fathers and Brethren: The Trustees of Wyoming Conference Seminary beg leave to present their thirty-first (31st) annual report.

We would devoutly acknowledge our gratitude to Almighty God, "the giver of every good and perfect gift," for the blessings and manifestations of his favor that have been bestowed upon our Board and the Institution, over which we have been placed by your Reverend body, as guardians.

The past year has been one of continued and increasing prosperity. The buildings and property of your Seminary have been preserved from the power of the devouring elements, from which they suffered so severely in previous years. The health of teachers and scholars has been remarkably good; no epidemic has prevailed, and the destroying angel has not once visited her halls.

During the year, no changes of any special importance have occurred. The Seminary, fully and ably manned by faithful and competent officers and teachers, a large and increasing complement of students of both sexes, has been most successfully performing her duty of furnishing unsurpassed facilities for a high, intellectual, moral and religious education.

From the very first, the influence of your Seminary has been of a high order, and each succeeding year the sphere of that influence has been enlarging, until now her students come, not only from our own Conference, and remote parts of our own State, but as well from sister Conferences and distant States; while in all the honored professions and useful walks of life, her graduates are reflecting great credit upon your Institution, and are blessing society around them.

The courses of study have been enlarged and improved, affording a wider range of subjects and allowing students the opportunity of selecting those best suited to their need or inclination.

The grade of Scholarship has been good, and is constantly rising, and equals that of any Institution of its kind in the land.

The faculty, with the able, experienced and popular principal, Rev. David Copeland, A. M., at its head, consists of eighteen professors and lecturers, thorough in their scholarship, earnest, conscientious, and devoted to their work.

The Commercial College under the highly successful management of Professor L. L. Sprague, as principal, attracts a large number of those eager for instruction, and constantly sends out to engage in the various branches of business, young men thoroughly and practically trained in all that concerns the transactions of an active commercial life.

The young ladies are under the constant supervision of the preceptress, Miss Ellen R. Martin, A. M., who labors assiduously for their culture and improvement, and parents may rest assured that in placing their daughters under her charge, that they are committing them to the care of a most accomplished and refined and Christian lady, who for adaptation to, and success in her work, has no superior.

Opposite the Seminary grounds has just been erected one of our largest and finest church edifices, complete in every particular, and furnished throughout in such good taste, as to prove all that could be desired as an educating adjunct to your noble Institution.

Here the large majority of teachers and students attend divine worship, ample provision having been made for their accommodation.

A gracious revival of religion has been in progress during the past season, in the Methodist Episcopal Church. God poured out his spirit upon the community, and a very considerable number of students were brought under the influence of that grace, which not only sanctifies the heart, but also expands the intellect.

During the financial derangements of the past few months, fears were entertained lest the number of students should be diminished, and the Seminary thereby be embarrassed. Those fears have proved groundless, as the attendance has increased and the finances were never in a more healthy condition.

Many contemplated and needed improvements to the building and grounds will be carried out, from time to time, as the necessity of the case demands, and the state of the treasury will warrant.

No further guarantee of the continued prosperity and success of the school is needed, than that it shall have as heretofore, your sympathies, prayers and hearty co-operation.

Before concluding this report, we would congratulate your honored body on the progress made in redeeming your Five Thousand Dollar pledge, toward Centenary Hall. Your Educational Collection, up to the time of your last session, had met the interest on the above amount and paid \$1,417.42 of the principal.

In your wisdom you will doubtless provide for continuing and increasing the above annual collections, and thereby at an early day, discharge fully the foregoing obligation.

We would respectfully nominate for re-election, as Trustees, the following persons, whose term of office has expired, namely: R. Nelson, B. G. Carpenter and E. C. Wadhams; and we would also request the appointment of the usual Board of Visitors.

All of which is most respectfully submitted in behalf of the Board of Trustees.

G. S. BENNETT, Committee.

TEMPERANCE.

Your Committee would report as follows:—

Resolved—1. That while we recognize the efficient aid rendered by the various Temperance organizations of the land, we firmly believe that it is for the church of Christ to lead in this great work of reform,

and until it thus comes boldly to the front, the great and final victory will not be achieved.

Resolved—2. That we have looked with wishful, grateful, prayerful eyes to the crusade inaugurated by the noble women of the West, against the monster evil intemperance; and that while we continue to work and to pray for the success of this great common cause, we earnestly entreat our sisters to cease not, day nor night, until we drive the demon Rum to his native place.

Resolved—3. That we consider the rum-maker, the rum-seller, and he who furnishes a stall or place for the sale of rum, co-adjutors in a wicked work, and equally guilty before God.

Resolved—4. That the Local Option Law of Pennsylvania is eminently worthy its place in our Statute law, and we hereby call upon our people to rally with us to its support.

Resolved—5. (As last year.) That we urge upon the stewards of our several churches the duty of providing the pure, unfermented juice of the grape for use at the Sacrament of the Lord's Supper.

Resolved—6. That the Lecture Bureau Plan, as presented by Rev. D. C. Babcock, Cor. Sec. of the Pennsylvania State Temperance Union, seems practicable, and we will use our best endeavors to aid in the carrying out of the plan.

Resolved—7. That we recognize in Rev. D. C. Babcock an earnest, judicious, successful temperance advocate who is ever welcome at our anniversaries, at our homes, and among our people.

J. W. HEWITT, President.

P. R. TOWER, Secretary.

LADIES' AND PASTOR'S CHRISTIAN UNION.

Your Committee submit the following report:—

We find that a number of the churches of the Conference have organized auxiliary societies and these are doing a great amount of good, by the dissemination of religious literature in the form of papers and tracts; by visiting from house to house, bringing children into the Sabbath School, families into the congregation, and some of these into the church. Therefore,

Resolved—1. That we earnestly recommend the organization of auxiliaries on *all* the charges of our Conference.

2. That we will encourage and aid in the circulation of the paper known as the "Christian Woman."

3. That we are indebted to Mrs. Annie Wittenmyer, Corresponding Secretary of the Union, for her eloquent and impressive address, and we hereby assure her that she has our prayers and sympathies for yet greater success in the important work in which she is engaged.

A. J. VAN CLEFT, Secretary.

W. L. THORPE, President.

FREEDMEN'S AID SOCIETY.

Your Committee report as follows :

Being profoundly impressed with the importance of our educational work among the Freedmen of the South, and recognizing the hand of God in placing the emancipated millions at our door as a church, for the undoubted purpose of educating and training them for all the duties of the christian citizen ; therefore,

Resolved—1. That it is with gratitude to God that we learn that so much has already been done through the agency of the Freedmen's Aid Society in establishing schools of a normal grade for the purpose of educating preachers and teachers, who will in a few years become the educators of their race.

2. That the day of our opportunity to educate—and thus secure to these people a pure christianity and higher citizenship—is upon us, and God says to us : “ Take these and nurse them for me, and I will give thee thy wages.”

3. That as a Conference, we sympathize with them in their mental and moral destitution, and, although the amount raised this year is an advance of more than one hundred per cent over last, we will press the collections for this cause the *coming* year prayerfully and earnestly, realizing that our Savior will say : “ Inasmuch as ye have done it unto the least of these my brethren, ye have done it unto me.”

J. K. PECK, Chairman.

J. B. SUMNER, Secretary.

MISSIONARY CAUSE.

Your Committee submit the following report :

1. We rejoice and give glory to the great Head of the church in the enlarged success that has attended our Missionary operations during the past year. We recognize, in the success vouchsafed us, an urgent appeal to increased liberality in sustaining this noble cause.

2. We will preach at least one Missionary sermon during the year, and institute a monthly Missionary prayer-meeting, a lecture in each society or congregation wherever practicable, according to the requirements of the discipline.

3. We will organize Missionary societies in connection with our sabbath schools.

4. We will use our best endeavors to increase our contributions to one dollar per member the next Conference year.

5. We will circulate the “ Missionary Advocate ” among our people.

6. We recognize the Woman's Foreign Missionary Society, and bid our sisters God-speed in the prosecution of their good work.

7. That hereafter no subscription less than fifty cents be printed in the Detailed Missionary Report.

H. BROWNSCOMBE, Chairman.

W. B. THOMAS, Secretary.

BIBLE CAUSE.

Your Committee, having given attention to the important matters referred to them, find that this most worthy cause has received the cordial support of a majority of the members of this body. The receipts from the several Districts are as follows:—

Wyoming District.....	\$178 37
Binghamton “	147 55
Chenango “	133 53
Honesdale “	61 03
Otsego “	418 00
Owego “	89 54
Wyalusing “	101 08
Total.....	\$1,129 10

This sum is \$645.80 less than was collected for this cause last year. From twenty-eight charges no collections are reported. The blanks which occur from year to year indicate that a few of our brethren sadly undervalue this truly good and great cause.

Impressed that the Bible is of priceless value to our fallen and benighted world, the committee would recommend to the Conference the adoption of the following resolutions:

Resolved 1, That we will be more fervent in our prayers, more earnest in our efforts, and more liberal in our contributions, till, as Christians and christian Ministers, we have done all that can reasonably be done, to put the “Book Divine” into the hands of every human being.

2. That as almoner of the American Churches, the American Bible Society has our unabated confidence, and that we pledge to it our continued co-operation and support.

3. That we continue to recognize the collection for the Bible Cause as a Conference Collection, and will report the same in our Annual Minutes.

4. That it is the sense of the Conference, that the rule, touching the publication of the detailed report of the collection for the Bible Cause, which was stricken from the Discipline by the last General Conference, should be restored by the next one.

Z. PADDOCK, Chairman.

S. S. KENNEDY,

Secretary and Treasurer.

TRACT CAUSE.

Your Committee respectfully report that as pastors of the M. E. Church, we are religiously pledged to obey the order of our General Conference in annually advocating and taking the Tract Collections; that the meager amount contributed of late for this cause, indicates a lack of just appreciation and due interest. Therefore,

Resolved, 1. That the claims of the Tract Cause shall not suffer for want of our zealous co-operation and patronage as its representatives..

Resolved, 2. That we will carefully consider the expediency and duty of procuring and distributing a supply of our excellent tracts upon our charges, and especially such as relate to our Missionary and other collections.

Resolved, 3. That we recommend a concise historical sketch of our several missions be published in tract form for gratuitous distribution among our people.

D. LARISH, President,

A. BRIGHAM, Secretary..

SUNDAY SCHOOLS.

Your Committee would respectfully submit the following report :

Whereas, The Sunday School Institution has assumed vast proportions, in its numbers, outlays and permanent results, and thus become an important branch of Christian enterprise in the evangelization of the world, therefore

Resolved, 1. That we should aim at the gathering in of all the children and youth of our land for spiritual instruction in the Sunday School; and that in order to do this we will urge upon the Church the necessity of all our members indentifying themselves with this work.

Resolved, 2. That the system for Sunday School instruction known as *The International Series*, is the most thorough and complete of any with which we are acquainted.

Resolved, 3. That wherever Union Sunday School organizations exist, whether State, County or Town, we should as a Church unite heartily with them in all efforts to promote the Sunday School cause.

Resolved, 4. That hereafter we will devote one evening of each Annual Session of the Conference to a Sunday School Anniversary, believing that this cause in its importance is second to none in the Church.

S. W. WEISS, President.

H. M. CRYDENWISE, Secretary.

CHURCH EXTENSION.

Your Committee submit the following Report :

1. That having canvassed the interests of this Society, we find the sum of money and receipts on hand as Conference collections to be \$898.74, being an excess of \$68.25 over last year.

2. The whole amount asked for by the Society of our Conference was \$2,000. This was apportioned to the several districts as follows :

	Apportioned.	Received.	Deficit.
Wyoming.....	\$377 00	\$305 37	\$61 63
Owego	193 00	144 32	48 68
Wyalusing.....	279 00	117 26	161 74
Honesdale.....	290 95	79 14	211 81
Chenango.....	280 00	76 16	203 84
Otsego	280 05	71 99	208 06
Binghamton.....	300 00	94 50	205 50
	\$2,000 00	\$898 74	\$1,101 26

All the charges have reported collections, but five, which seem to have taken none.

3. Your Committee can but deprecate any deficiency in the contributions asked for this worthy cause; therefore, as a barrier to any future deficiency, we urge all our preachers to a faithful discharge of the duties laid down in the Discipline. Therefore be it

Resolved, That regarding the Church Extension Society of our Church, as a most timely, needful and efficient organization in the promotion of the Redeemer's Kingdom in the world, we will endeavor more fully in the future to secure the amounts apportioned to all our charges, and pray the Great Father to give us hands and hearts to do, as He gives us opportunity.

I. T. WALKER, President,

GEO. COMFORT, Secretary.

NOTE BY THE SECRETARY OF THE CONFERENCE.—In addition to the amount raised as above, (\$898.74) the sum of \$1,123.20 was contributed at the Anniversary of the Church Extension Society, held Sunday evening, April 19, making the grand total for the Conference this year \$2,022.19.

STATE OF THE CHURCH.

During the year now closing revivals of more than ordinary interest have been enjoyed, which have brought into almost, or quite every Charge within our bounds, a large number of heads of families and

business men and a larger number of young people, many of these, we rejoice to say, from our Sunday schools; causing the cottage homes and palace halls of praying fathers and christian mothers to become increasingly fragrant with the incense of devotion and grateful songs.

The aggregate of conversions in the Conference territory is reported to be 4,870.

Among these additions to our numbers are men of wealth and influence, and young men of talent and promise; but while with gratitude we record these marvelous displays of divine grace, we find ourselves pressed with increasing responsibilities and instead of setting down to inglorious ease, we are urged by considerations the most soul-stirring, to adopt a course of action by which these grand results of toil and prayer may be permanently secured. These converts are exposed to very many seducing influences against which they must be guarded; or following the pernicious example of some who violate the Sabbath, and neglect the private and public means of grace, they will soon decline in their piety and become aliens from the commonwealth of Israel. Novels and the mammoth secular journals of our commercial metropolis, may in very many families, with large spiritual profit, be superceded by our church papers and by the instructive biographies and writings of Wesley and Peck and others, which are adapted to induce longings for a higher intellectual and spiritual life. If we save these converts we must be as anxious to keep them converted as we have been to get them converted, and in doing this it is obvious to every thoughtful mind, that we must urge upon their attention the importance of suitable reading. There is a strong disposition to the neglect of duty everywhere, and these new disciples must be enlisted in some department of the great field which we are called upon to cultivate for Jesus. In this way, and in no other, can we be prepared to furnish a satisfactory answer to the prominent question of the day. What becomes of our converts?

While we are satisfied that the church has a larger amount of moral power and wealth and influence than ever before, and is exhibiting a zeal in improving and multiplying her temples and benevolent organizations and in increasing the efficiency of her Sunday schools and Bible classes, your committee is impressed with the fact that we have among us a large amount of latent power, and the importance of enlisting the entire membership, in the work of saving souls. For want of something specially assigned them to do, young christians are enticed into worldly associations and amusements and the older members, many of them, to be satisfied with a moderate piety and the peculiar pleasures of ecclesiastical and refined social life.

Special efforts for the salvation of the world, such as were indicated in the anniversaries of last week are the need of the hour.

We greatly need an improved ministry, but we need a zealous untiring activity along the entire line of our membership, still more; and this we conceive is the most efficient method of securing such a ministry, and of presenting to the world's Redeemer our entire race, saved

and sanctified, and prepared to occupy the mansions of bliss in the skies. Respectfully submitted,

E. W. BRECKENBRIDGE, Chairman.

S. F. BROWN, Secretary.

CHURCH MUSIC.

Both from the teaching of the Scriptures and our history as a denomination, we ought to highly value sacred music as a most important part of divine worship. It has been an element of power in all our history and was so regarded by our great founder John Wesley, when he instructed his preachers to everywhere urge the people to sing.

And Charles Wesley has shown his appreciation of it in the rich legacy he has left the church in the hymns which constitute our most read and valuable liturgy. What therefore has been such an element of success ought to be cherished and cultivated by us in its best forms; therefore,

Resolved—1. That the most evident design of church music is to afford those composing our congregations the opportunity of engaging actively and personally in the services connected with the worship of God's house.

2. That we regard congregational singing as the appropriate and consistent form for the purpose of worship and that we deprecate and will discourage all tendencies towards exclusive choir singing among us.

3. That, for the purpose of promoting congregational singing, we offer the following suggestions:

1. In announcing hymns, let the preachers give preference to the most devotional. Let them kindly but firmly insist that, at least, two tunes which are familiar with the congregation shall be used at each service. And let the congregation be encouraged to join by frequent invitations.

3. Let our congregations provide themselves with a plentiful supply of hymn books. Hymn and tune books being used whenever practicable. The New Hymn and Tune Book and Tribute of Praise, both published by our Book Concern, are especially recommended.

4. Singing schools, for the purpose of studying the science of music, ought to be encouraged; and singing meetings, composed of children and adults, should be frequently held to practice hymns and tunes to be sung in the Sunday school, social meetings and preaching service.

W. B. WESTLAKE, Chairman.

S. W. WEISS, Secretary.

CHURCHES AND PARSONAGES.

Your Committee would respectfully report, that during the Conference year ending 1874, twelve new Churches have been built, and thirteen largely remodeled and repaired, thus making a total of 229 M. E. Churches in Wyoming Conference.

Three new Parsonages have been erected the past year, which, being added to the number previously reported, make 125 Parsonages in the Conference.

Notwithstanding this prosperity, there are still thirty-four charges within our bounds unprovided with Parsonages. The deficiencies are found in the following Districts: Wyoming 7, Otsego 3, Owego 3, Chenango 1, Binghamton 8, Honesdale 6, Wyalusing 6. Total 34.

Many of our Parsonages are, however, in a dilapidated condition, and in very inconvenient and unpleasant localities. Many more are almost entirely unfinished. Therefore,

Resolved, 1. That we recommend the Pastors serving charges where there is no Parsonage, or where it is unfit for residence, or greatly inconvenient in location, to enter immediately upon the work of repair or building the coming Conference year.

2. That we earnestly request our lay Brethren on the several charges to take in hand the work of furnishing our Parsonages not only with heavy furniture, but in the most complete manner.

J. H. WESTON, Chairman,

E. W. CASWELL, Secretary.

OBSERVANCE OF THE SABBATH.

Your Committee report as follows:

The Sabbath, made for man by man's own Maker, can be profaned only at the expense of man's best interests. Therefore,

Resolved—1. That we deeply deplore the prevalent disregard of the command to "remember the Sabbath day to keep it holy."

2. That, as christian ministers, it devolves upon us to preach frequently and earnestly on the subject.

3. That we urge our membership and all good citizens to resist by all suitable means all innovations, the tendency of which is to do away wholly or in part with the sacredness of this institution.

GEO. W. LEACH, Chairman.

R. HIORNS, Secretary.

CONFERENCE COLLECTIONS.

Your Committee respectfully submit the following report:

Resolved—1. That it is highly creditable to the Wyoming Conference that her collections have been so generally taken; and that it is the sense of the Conference that each preacher shall be required to take them all, with no exception, during the coming year.

2. That the Educational, Sunday School Union, Tract, Freedman's Aid and Bible collections be taken from May to November. When convenient that they be grouped to be taken at one or more presentation, at the discretion of the preacher in charge. When so grouped they must in all cases be taken by subscription, the subscription papers having a separate column, properly headed for each cause, in which the subscriber may designate the amount he wishes to give to each.

3. All other collections are to be taken separately by subscription, in the following order, viz.: Church Extension in November; Missionary in January; Conference Claimants in February. The collection for the Bishops may be taken in March, or before, by subscription or plates, at the discretion of the pastor.

4. That each pastor, having charge of a circuit or station, shall enlighten his people upon the nature and object of each of the above named collections, according to discipline, and urge the duty of contributing.

N. S. REYNOLDS, Chairman.

C. V. ARNOLD, Secretary.

PERIODICALS.

Your Committee respectfully submit the following report:

As the press of our land wields a tremendous power, both for evil and for good, and as the opponents of our holy religion are circulating to a very great extent a literature, not only detrimental to christianity, in all its forms, but also calculated to lead, especially the youthful mind into immorality, and finally into infidelity. The cause of Christ demands and the time has arrived when the Methodist Episcopal Church must go forward with renewed zeal, in distributing among the people a sound religious literature, such as shall meet the emergency of the times and become a mighty power in pulling down the strong holds of Satan and establishing the kingdom of God in our midst. Therefore,

Resolved—1. Believing that the publications of the Methodist Episcopal Church are equal to those of any Church in this land, we will heartily commend them to every accessible family within the bounds of our several charges, as the means of diffusing light and knowledge among the people, to the great benefit of our church, and the extension of the Redeemer's kingdom.

2. That we highly appreciate the discretion, energy and enterprise of our publishing agents, Dr. R. Nelson and J. M. Phillips, in their management of the important trust committed to their care, and that

we will labor more earnestly to raise the whole amount apportioned to our Conference for the support of our Bishops and forward the same at the earliest opportunity.

3. That we deem it of the utmost importance for the sustainance of our integrity as a Conference, and for the best interest of our publishing house, not only to meet our present obligations to the said house as soon as possible, but punctually settle our accounts with its agents at each Annual Conference, thereby relieving the Book Concern of its present embarrassment and enabling it to reduce the price of its publications to the great advantage of the Church and of the world.

4. That we most cordially approve of the zeal and interest manifested by Dr. D. D. Lore in his official capacity as editor of the "Northern Christian Advocate," and will pledge our best endeavors to increase the number of subscribers for all our Church periodicals.

R. VARCOE, Chairman.

L. A. WILD, Secretary.

XI.—Memoirs.

EDGAR M. HIGH.

Rev. Edgar M. High was born in Greenville, Albany County, New York, in 181 and died in Danby, New York, October 16, 1863. When fourteen years of age he was converted and at once commenced an active christian life. In his nineteenth year he married an excellent wife, with whom he was called to part in about one year and a half; and two and a half years thereafter, was again bereaved in the death of his only child of three summers. But, in the midst of this deep affliction, the voice of the Master was heard, calling him to the ministry, and, without conferring with flesh and blood, he at once obeyed the call by commencing actively and diligently the work of preparation.

In 1842 he again married, selecting his wife with special reference to his sacred calling, and soon after entered upon his work. Livingstone, Niagara County, New York, was his first appointment, and there, in abundant labors with Rev. Samuel Salisbury, preacher in charge, he made full proof of his ministry. At the close of this year, together with his colleague and nearly all the members of his circuit, he went over to the Wesleyan Methodists, because the Conference, to which he belonged, adopted a resolution which he conceived to be oppressive and designed to abridge his liberty in discussing that vilest sin—slavery. For sixteen years he struggled in life's battles, maintaining his position in the conflicts without compromising on a single point. But the pressure upon his physical nature was too great, and he was obliged through failing health to retire to a small farm near Rome, where, after seven years of comparative rest, he found himself sufficiently recuperated to renew the toils of his chosen vocation—a vocation he never ceased to regard infinitely above all others. Seven years ago the war ended, slavery abolished, and seeing no reason why he should not return to the Methodist Episcopal Church, he again sought admission into her fold, and at the Conference held in Hyde Park, was received as an elder without a dissenting voice. He was stationed two years each at Skinner's Eddy, Factoryville and Windham and was invariably recognized as a model christian minister and man of God. His next appointment was Berkshire, where he became increasingly popular and successful—his sermons, evincing thought and experience in the deep things of God, were rarely surpassed. His domestic and social life too was genial and exemplary to a noticeable degree, so he might unboastingly and becomingly say to his people:—"Follow me as I follow Christ."

On the 14th and 15th of October, he attended the Ministerial Association of Owego District, at West Danby, and read an essay entitled: "Paul before Agrippa," one of his ablest productions, and received by his brethren in the ministry with marked demonstrations of favor.

The funeral of a child, occurring during the session of the Association, Brother High delivered an address on the occasion, so exceedingly tender and beautiful that all hearts were moved and stirred with profoundest emotions. Everyone felt that here was a preacher who made it his study to choose "acceptable words," "like apples of gold in pictures of silver."

On returning home, accompanied by Rev. George Comfort, he tarried all night with Reuben Meeker, Esq., where he was attacked with the sickness which proved his last. The next morning his symptoms being much worse, a physician was called, but medical aid and all the efforts of kind friends could not stay the disease, and at 4 P. M., the "silver cord was loosed and the golden bowl was broken," and he ceased suddenly to work and live. At 11 o'clock that night the intelligence reached his home. The secret of the terrible grief of these stricken ones during all those mournful hours can never be known but by Him who alone knoweth the heart. A light had gone out in the house, in the community and in church of God.

Of him it might truthfully be said, by his household and parishoners, as Christ said of John the Baptist: "He was a burning and a shining light and ye were willing for a season to rejoice in his light."

His funeral, under the direction of Rev. D. D. Lindsley, was attended by a large assembly of his neighbors and ministerial delegates from different parts of the district. A biographical sketch was read and addresses delivered by brethren present, after which he was carried to his burial and last earthly resting-place. God grant that his memory may ever be kept precious and that others imitating him as he imitated Christ may share his triumph and his reward.

THOMAS F. JOHNSON.

Rev. Thomas F. Johnson was born in Danbury, Conn., August 28, 1825, and died in Litchfield, Bradford County, Pa., March 11, 1874.

Brother Johnson was converted under the labors of Rev. William Bixby when about fifteen years of age and immediately connected himself with the M. E. Church. He maintained his profession by a Godly walk and conversation, evincing a good talent for the work of a minister of the Lord Jesus Christ. Attracting the attention of his brethren by his exercises, he was licensed by the Candor Quarterly Conference to preach the gospel of the Son of God. For twenty years he labored faithfully as a local preacher of the vineyard, and as trophies of his skill, many are able to praise the Lord. During this time he was frequently employed as a supply by the Presiding Elder. Many in South Danby and Litchfield will remember him, while time and eternity shall endure.

In 1872 he joined the Wyoming Annual Conference on probation, and was stationed on Herrick Charge, Wyalusing District. Such was his acceptability and usefulness, that his return was desirable. He returned to his work cheerfully and at the time of his death was closing up successfully his second year on this charge, fully prepared for admission into full connection in the Conference. He was a laborious, good man and minister.

A few days previous to his death, he and his family were on a visit to their friends in Candor, and while there he preached an earnest sermon to the people, leaving an excellent impression. The Saturday following, while on his way home, he tarried at Litchfield, Pa., and occupied the pulpit of Rev. C. F. Olmstead on Sabbath morning, preaching from 1st Cor. 10:4:—"And did all drink the same spiritual drink, etc. On Wednesday following he concluded to return to Camptown, Pa., in consequence of ill-health, but had not gone far, when handing the lines to his wife, said, "I feel faint;" at the same time leaning his head upon her shoulder. Arriving at the house of Mr. Alanson Munn, he was assisted into the house, where he died in about *thirty* minutes of heart disease, illustrating that great scripture truth:—"There is but a step between me and death."

Brother Johnson was a devoted christian, a zealous and earnest minister, and loved passionately the work of leading the children of men to Christ. His family and friends sustain an irreparable loss. A good man has fallen.

A large concourse of people assembled at his funeral services in the M. E. Church of Candor, on the 13th of March 1874, to pay him their last respects, and hear a sermon by Rev. N. S. Reynolds; after which his remains were deposited in Maple Grove Cemetery to await the resurrection. He rests from his labors.

JAMES H. PADDOCK.

Rev. James H. Paddock was born in Sussex County, N. J., August 28th, 1839, and died from the effect of an accidental pistol shot, March 30th, 1874, aged 35.

We are unable to gather any authentic information concerning his early life, and his childhood and youth are unknown to us. In 1859 he experienced religion and

joined the Methodist Protestant Church. His conversion was remarkable for light and power. Under its influence he immediately commenced to exhort sinners to repentance, and success attended his efforts, attracting the attention of multitudes, as also that of the church. His usefulness began to show itself to the satisfaction of all who sat under his ministration of the word, and under the direction of the Methodist Protestant Conference, he labored on Albany, Canaan, Sterling and Auburn Circuits, serving with acceptability. Brother Paddock was kind and companionable—amiable, and a good christian minister. He loved the means of grace, and said to the writer of this notice, that he had never enjoyed himself better and “I hope to live and die among this people, and with the tired itinerant he gathered home to die no more.” His exercises in the pulpit on the day before his death were unusually earnest and pathetic, and in the evening he was very impressive, especially in the prayer meeting. He leaves a kind-hearted wife to mourn her loss for a few days. In 1872 he joined the Wyoming Annual Conference of the M. E. Church and was stationed at Stoddardsville, a laborious circuit full of care; but he did his work well. In 1873, he was stationed at Newport, and at the time of this sad calamity, had not finished his first year. During the Winter his labors had been blest of God and a good number of additions had been made to the church. A request had been made by his official brethren for his return, and they had expected it, but an inscrutable Providence has ordered otherwise. Thus, near the close of his second year's work, he has been taken from labor to reward. The people whom he served—his family and friends mourn their loss, which is his gain, and, with the late lamented Breakey, of the New York Conference, “he takes his next appointment in the city of the New Jerusalem.”

NOTE BY THE SECRETARY.—It will be seen that the total "receipts" and total "deficiencies" do not make the same amount as the total "claims" of preachers. This discrepancy arises from the fact, that while some charges report more receipts than claims, one charge report no "receipts," another no "claims." See Wilkes Barre, Exeter, Berkshire, Guilford and Spencer. The Secretary has no means of filling these blanks or correcting the errors made in the Preachers' Report, without unduly delaying the publication of the minutes.

Detailed Missionary Report.

On Wednesday evening, April 15th, Rev. J. O. Woodruff preached the Annual Missionary Sermon. It was founded on II Samuel, 24:24, and proceeded with clear and impressive effect to elaborate the thought that "*true worship costs something*," or, in other words, is a worship of *sacrifice*.

In concluding, the speaker showed the grand opportunities of the church for this kind of worship, in promoting and sustaining the great missionary work of the day.

The 23d Anniversary of our Conference Missionary Society was held on Thursday evening, April 16th. Dr. J. M. Reid, one of the Corresponding Secretaries of our Missionary Society, gave the address. It was universally conceded to be one of the best, if not the best ever delivered before the Conference.

The Secretary, Rev. J. G. Eckman, read an able report, which was unanimously adopted.

The report of the Treasurer, W. N. Cobb, showed a gratifying advance beyond the amount raised last year—the sum total being \$11,980.75—the largest contribution ever made by the Conference for this cause in a single year.

In addition to this, \$628.76 was given by the Women's Foreign Missionary Society.

Names of Contributors.

N. B.—Brethren in the ministry, in making their Detailed Reports, will please write on one side of the paper only, and be sure and have the slips of paper pasted together with gum Arabic—not fastened with thread, pins, or flour-paste.

If any charge is not reported in these Detailed Reports it is not the fault of the Secretary.

Many names are written so illegibly as not to be deciphered, and the necessary distinction between the capitals I and J has not always been observed.

Names of persons contributing less than 50 cents should not be reported.

CRAWFORD'S Improved Mower

MANUFACTURED BY

REMINGTON AGRICULTURAL COMPANY,
ILION, N. Y.

Eight Reasons for Buying the Crawford Improved :

1—The Frame is made entirely of Iron, thus preventing warping and springing, while the Gearing is so securely boxed as to keep it entirely free from dust, dirt and grit.

2—The Shafting is all firmly held by the Frame, and consequently must always work in line, with equal friction on the bearings, until the Machine is worn out.

3—The Machine is accurately balanced upon the Driving Wheels, so that the horses' necks are entirely relieved from a heavy weight.

4—The Device for lowering and raising the Cutter-bar is very simple and effective ; also, that for changing the angle of cutting apparatus—the driver being able to effect these changes almost instantly.

5—Four bolts only are required for the Cover, Caps, Seats, Shafting, Gearing and Frame.

6—The Seat for the driver answers a double purpose—as a Tool-box and Seat combined.

7—The Gearing of the CRAWFORD IMPROVED MOWER is changed by means of a lever worked by the foot of the driver, thus leaving his hands free.

8—For simplicity of construction, which ensures strength and durability ; for ease of draft and management ; for beauty of model and cheapness, the CRAWFORD IMPROVED MOWER is offered to the public as one unrivalled.
